Dear Sir:

Applicants enclose herewith a marked-up filing receipt. Upon further inspection, the PTO erred in at least two respects. First, the filing receipt lists the wrong filing date. Applicants filed their application on February 14, 2002, although the Decision on Petition awarded a March 14, 2002 filing date, see attached. Second, the filing receipt alleges that the residence of the first named inventor was not provided. This is wrong as the oath and declaration listed his residence address as Bethesda, Maryland. Please issue a corrected filing receipt to correct the PTO's errors.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
